- An additional session was cancelled due to family commitment. Topic: Training Modifications and Treatments to Reduce Injuries During Adolescent Growth Periods
- Goal in 2023: Discuss issue of promoting CEU activities available in NM as a way to improve traffic to the Chapter website. Limited progress since NM Licensing Board does not compile a list of approved CEU activities or it is not available to the public.
- Goal in 2023: Partner with the PT licensing board to make available and promote approved CEU activities. Limited
  progress since NM Licensing Board does not compile a list of approved CEU activities or it is not available to the
  public.
- Goal in 2023: Discuss issue of speaker's bureau to promote the profession and physical activity. Did not achieve.
- Goal in 2024: attempt to partner with PT licensing board to access a list of approved CEU activities.
- Goal in 2024: evaluate feasibility of the Chapter taking over the CEU approval process from the Licensing Board
- Goal in 2024: identify CEU topics which align with APTA and APTA New Mexico updated CPGs and legislative
  efforts.
